CHRISTMAS IN RABBITVILLE!!

CHRISTMAS IN RABBITVILLE / "Welcome to Rabbitville" tune

It's Christmas in Rabbitville
That's where the rabbits will
Welcome you with open arms
It's Christmas in Rabbitville
That's where the rabbits will
Sing God's praise all day long

Look at the bunny rabbits hoppin' around
They are so happy that you are in town
It's Christmas in Rabbitville
Christmas in Rabbitville
Come on in and sing along

REPEAT

It's Christmas in Rabbitville
Christmas in Rabbitville
Come on in and sing along
Come on in and sing along

It's Christmas here in Rabbitville
We're happy you are here
Come join us as we have some fun
And spread our Christmas cheer!

You're welcome at our party
We're so glad you came to see us
Come join the happy chorus
As we sing our praise to Jesus

SEASON OF GOOD CHEER

Snowflakes falling,
Friends are calling,
People hauling Christmas trees

Cookies baking,
Children waking,
Families making memories

CHORUS

'Tis the season of good cheer
Jesus Christ the Lord is here

Sleigh bells ringing,
Children singing,
People bringing gifts to give

Church bells ringing,
Angels singing,
Three kings bringing gifts to Him

CHORUS

'Tis the season of good cheer
Jesus Christ the Lord is here

Come and worship
Baby Jesus
Born to be the King of kings

He's the gift
God wrapped to give us
He will save us from our sins

CHORUS

'Tis the season of good cheer
Jesus Christ the Lord is here
Jesus Christ the Lord is here

Jesus is the Son of God
He's always been alive
But we want to have a party
For the day that He arrived

It's kind of like a birthday
The day that He came down
So let's light the candles, cut the cake,
And pass it all around

HAPPY BIRTHDAY JESUS

© 1990, 2015, Resurrection Rabbit, Inc.

Happy Birthday, Jesus
God's one and only Son
Happy Birthday, Jesus
Come on, let's have some fun

CHORUS

Light the candles, cut the cake
Scoop the ice cream – celebrate!
Happy Birthday, Jesus
God's Son has come to earth

You are God forever
You've always been alive
But we want to have a party
For the day that You arrived

CHORUS

Light the candles, cut the cake
Scoop the ice cream – celebrate!
Happy Birthday, Jesus
God's Son has come to earth

BRIDGE

We celebrate because the Son of God became a man
He lived and died but in three days our Savior rose again
His Spirit gives new life
Another happy birthday, so
Light those candles, cut that cake,
Scoop that ice cream -- celebrate!

Happy Birthday, Jesus
Our Savior very dear
You left your home in heaven
To stay awhile down here, so

FINAL CHORUS

Light the candles, cut the cake
Scoop the ice cream – celebrate!
Happy Birthday, Jesus
Happy Birthday, Jesus Christ

The Bible says God sent His Son
So those who trust in Him
Would live with Him forever
Free from all their sin

God sent the greatest Christmas gift
When Jesus came down here
And this is what we celebrate
When Christmas comes each year

GOD SO LOVED THE WORLD

Celebrate the gift of Jesus this day
Sing and clap and jump for joy
Come on, every girl and boy

While we were sinners, He gave His life
While we were sinners, that's when He died
Yes, God so loved the world

CHORUS

Celebrate the gift of Jesus this Christmas
Celebrate the gift of Jesus this day
Sing and clap and jump for joy
Come on, every girl and boy
Let's celebrate the gift of Jesus today

Come join our great adventure
We're off to see the sights
We're riding past the houses
To see the Christmas lights

We're peeking through the windows
At the trees that sparkle bright
And we're thinking of our Savior
Who was born that Christmas night

CHRISTMAS LIGHTS

© 2006, 2015, Resurrection Rabbit, Inc.

Christmas lights **[HOLD]**, Christmas lights
Shining bright **[HOLD]**, shining bright
Christmas lights shining bright in the night

CHORUS

We love to see the houses at Christmas
We love to walk past them at night
We peek through the windows at the lighted Christmas trees
The gold stars on top, the bright red and green

Christmas lights, Christmas lights
Shining bright, shining bright
Christmas lights shining bright in the night

CHORUS

We love to see the houses at Christmas
We love to ride past them at night
There are snowmen and reindeer and wreaths with red bows
And toy soldiers playing their drums in the snow

Christmas lights, Christmas lights
Shining bright, shining bright
Christmas lights shining bright in the night

BRIDGE

And we think of the light
On that first Christmas night
The light that God sent
When the three wise men went
To worship the Light of the world

Jesus Christ, He's the Light
Shining bright, shining bright
He's the Light – He's the Light of the world
He's the Light – He's the Light of the world

We snuggle up around the tree
We see the gifts beneath
We nibble yummy cookies
And smell the Christmas wreath

We thank our God who sent His Son
To die and rise again
Every good and perfect gift
Comes down to us from Him

EVERY GOOD AND PERFECT GIFT/ JAMES 1:17

© 2003, 2015, Resurrection Rabbit, Inc.

I sit and stare at the Christmas tree
Lookin' at the lights shinin' back at me
Yellow and blue and red and green
Prettiest colors I've ever seen
Makes me think of the gifts God gives to us

CHORUS

Every good and perfect gift
Comes down from the Father of lights
Yes, every good and perfect gift
Comes down from the Father of lights

I'm peekin' at the gifts underneath the tree
Starin' at the wrapping and the ribbons I see
Wonderin' what is tucked inside
Wonderin' what that wrapping hides
Makes me think of the gifts God gives to us

CHORUS

Every good and perfect gift
Comes down from the Father of lights
Yes, every good and perfect gift
Comes down from the Father of lights

I sit and stare at the Christmas tree
Sippin' my eggnog, eatin' my cookies
Thinkin' about the Lord above
Thinkin' how He showed His great love
Makes me think of the gift God gave to us

BRIDGE

I look real close at every light
Thinkin' of that first Christmas night
Thinkin' 'bout the gift God sent down here
The Father of lights sent His Son so dear

Every good and perfect gift comes down ...
From the Father of lights

It's Christmas Eve in Rabbitville
We're hopping 'round the tree
We're happy and excited
We're happy as can be

We're bouncing all around the room
It's hard for us to sleep
We wonder what's inside those gifts
Do we dare take a peek?

BUNNIES HOPPIN' AROUND THE TREE

© 2004, Resurrection Rabbit, Inc.

'Twas the night before Christmas and the bunnies were hoppin' around the tree
They were wigglin' their noses and they were as happy as they could be
They were shakin' the packages, untyin' the ribbons
They had to check out all the gifts to be given
Yes, the bunnies were hoppin' around the Christmas tree

CHORUS

The Christmas tree was an evergreen
Standin' tall and high, so they all could see
Like the everlasting life our Savior gives
Forever green, forever we live

'Twas the night before Christmas and the bunnies were hoppin' around the tree
They were waitin' for the sun to rise to see what they could see
They were all excited, they were floppin' their ears
They had to enjoy a little Christmas cheer
Yes, the bunnies were hoppin' around the Christmas tree

CHORUS

The Christmas tree was an evergreen
Standin' tall and high, so they all could see
Like the everlasting life our Savior gives
Forever green, forever we live

BRIDGE

'Twas the night before Christmas and the bunnies were
hoppin' around the Christmas tree
There were cookies to eat and bells to ring and sparkling lights to see
The house was decorated so bright
And the bunnies celebrated all night
'Cause Jesus Christ is the reason
For this happy holiday season

Yes, the bunnies were happy and they were hoppin' around ...
the Christmas tree

It's finally Christmas morning
We didn't get much sleep
But we're hopping with excitement
Praising God around the tree

We know He really loves us
'Cause He sent His Son to earth
Yes, we're hopping with excitement
As we celebrate His birth
